Ex-BBC Canford Audio Pro Interface Mk 2 Stoke City Streaming Box Ex-BBC studio equipment for which we are official surplus agents. May have some minor marks from use and/or sticker residue. Powers up but is untested beyond that. Looks to have been put together by BBC techs but we do not know what for. We are sure you clever people out there will know what to do with it. (0000_...) is an internal reference for our use and does not refer to the actual item.

===== Please Note: Any cables pictured may be our test cables to show the item working and will not be included unless stated.
