England & Wales only. Highlands, Ireland, and Islands may cost more so please enquire prior to bidding. Yes, we know Northern Ireland is classed as part of the U.K. but it still costs more to send large items there. There is no extra cost for smaller items sent by Royal Mail. We will recycle packaging where we can to keep your costs and ours down. We will combine P&P where we can. If you are buying multiple items, please do the 'buy it now' part but do not proceed to payment. We will invoice you with the required P&P. If you feel you have paid too much P&P, please consider the amount of packaging involved. If you still think you have paid too much P&P
